

Photo Competition: Alps - Life - People

Show us your surrounding area!

We are looking for your picture. Show us the alpine foothills from your perspective and capture your impressions with the camera.

Prizes are awarded for pictures in three categories:

1) Alps

The Bavarian mountains have many facets. Threatening on the one hand, friendly, hidden in clouds, or illuminated by beaming sunshine on the other. We want to see how beautiful the Alps may be, whether on a small (scenery details) or large scale (panorama). The focus will be on scenic diversity. Take a thought: Why do you like spending time here.

2) Life

Where a group arrives at a mountain summit, where people have a hearty meal at a mountain pasture or where they simply have a good time laughing and talking in the outdoors, that's where this picture is taken. One of the best things about mountain hiking is a good get-together.

3) People

The faces of people living in the Alps are as diverse as the landscape. We are looking for portraits of people who are feeling at home here and thus feel especially connected to the Bavarian foothills.

Everybody can participate!

Whether young or old, tall or short, hobby photographer or mobile phone user. EVERYBODY is welcome to take part in the competition. Simply submit no more than one picture per category to foto@alpenlebenmenschen.de by **October 15, 2017**. Please write a few lines about each of the submitted pictures to give us some background information and your thoughts regarding the image (a maximum of 1000 characters). The winners will be notified via email by October 29, 2017.

Win great prizes!

The best photographers will receive fantastic prizes which will even meliorate the time in the mountains: hiking rucksacks, vouchers for overnight stays in hats, courses or several mountain survival kits with surprise content. After the competition, 10 pictures per category will be chosen for a travelling exhibition and will be shown around the Bavarian Alps during the winter months*. For further information see www.alpenlebenmenschen.de

** By submitting images, the project A.L.M. is granted any rights of use regarding those images – naming the originator. The project A.L.M. as well as all further project-related associations (i.a. Malteser Charity Service, German Alpine Club) have the right to use the pictures for public relations and for publications in printed media and electronic media (internet and intranet).*
